Established in 2009, the College is now in its 14th year of operation and continues to rapidly emerge as a high-quality provider of mainstream Christian Education. Having made the decision to build our learning platform around the International Baccalaureate (IB), the stringent approval processes and accountability requirements of the IB, guarantee that a world-class education is available right here on Eyre Peninsula. Navigator College is the only South Australian provider of both the PYP and MYP programmes North and West of Adelaide.

Spiritual Life of the College

Navigator College is a place where "God abounds"; in other words where we can do His work, knowing that He guides us in the relationships we build with the students, in the communication we develop with each other and in the ethos, centered around God's grace that we hold so dear. Navigator College is a school under the banner of the Lutheran Education Australia (SA/NT/WA) and through them we are guided in the way we develop the Christian life of the College. We begin each day with staff devotion, student devotion whilst incorporating Christian Studies, Chapel and regular staff Spiritual Growth Sessions, giving us our sense of purpose that sets the standard of a Lutheran School.

STUDENT LEADERSHIP

The Student Representative Council is made up of students from each class, including the College Captains of each sub-school. It is their role to discuss issues pertinent to both their sub-school and the whole school that they feel need to be addressed. They meet regularly alongside the Head of School, with the College Captains chairing the meetings, in order to build collegiality as well as be a support to students as necessary.

After the Year 12 prefects have been chosen, the students vote on their Captains for the coming year.
