

HOMEWORK CENTRE ESSENTIAL AGREEMENT

All Middle and Senior School Students are offered support with homework through the Homework Centre. They have the opportunity to access the facilities of our College; library, printing and internet, and are given support by one of our Curriculum Support Officers, as well as teachers on request.

The Homework Centre is held Monday to Thursday inclusive, from 3.10pm to 4.30pm, in The Resource Centre, commencing Monday 6/2/2023

The main goal of the Homework Centre is to instil positive work habits, organisational skills and a sense of accomplishment in every student.

The aim of the Homework Centre is:

- To ensure students complete homework that has been set
- Offering a space for students to learn, particularly those students who may not have access to resources at home e.g. internet
- Provide extra help for students
- Provide opportunities for collaborative learning
- Do homework and revise classwork
- Practice exercises in subjects such as Maths and English
- Learn study habits and skills
- Prepare for tests

To attend the Homework Centre, the attached form needs to be signed by the parent/carer and student. Signing the attached form indicates your agreement to the following rules. There is no need to “book in”, however the form must be signed and returned before a student can utilise the Homework Centre.

Students are to sign in on entry to the Homework Centre and sign out when they leave. It is a requirement that the students remain in the Homework Centre. Middle School students must be collected and signed out by a parent or carer from the Homework Centre. If alternative arrangements need to be made, e.g. collection by a Senior School Sibling or other person, please phone the school or email Mr Campbell at bcampbell@navigator.sa.edu.au

No food is allowed in the Homework Centre. If students want to eat a snack, they must have this before they come in.

If students wish to change (into sport clothes for training) this must also be done before coming in.

Once students are in the Homework Centre, it is an expectation that they are quiet and respectful to other Homework Centre users. If not the privilege of attending the Homework Centre will be revoked for a short period of time. Continual inappropriate behaviour will result in a phone call to the carer to come and collect the student- who will wait for collection at the front office.

Students who attend the Homework Centre with no set homework, or no assignments to work on, will be required to sit and read quietly until collected. If a student refuses to read or work, they will be sent to the office to call a parent/caregiver to collect them. Playing games on laptops or iPads during this time is unacceptable

Musical instruments and music practice will not be allowed in the Homework Centre.
