The Year 4/5 students are investigating the human body systems and ways in which we can maintain them. We have made many fascinating discoveries:

Did you know:
“The small intestine is longer, but the large intestine is thicker!” Lachlan

“The nervous system is the body’s way of communicating. The nerves run through the spinal cord to the brain, which controls the body.” Harry

“The brain is fed by the blood, which has many defenses.” Ben

“As we learn more about the way the human body works and why, I cannot help but be amazed and echo the words of Psalm 139:

“LORD, You have searched me and known me... You understand my thoughts afar off and are acquainted with all my ways. You have hedged me behind and before and laid Your hand upon me. Such knowledge is too wonderful for me. Where can I go from Your Spirit? Or where can I flee from Your presence? If I take the wings of the morning and dwell in the uttermost parts of the sea, even there Your hand shall lead me. For You formed my inward parts. You covered me in my mother’s womb. I will praise You, for I am fearfully and wonderfully made; Marvelous are Your works and that my soul knows very well.”

GRANDPARENTS AND SPECIAL FRIENDS DAY
A huge thank you to all those who helped in any way on Grandparents and Special Friends Day. Thank you to the ladies who helped with the preparation and serving of the Morning/Afternoon teas and to those who assisted with the set up and packing up at the end of the day. Without these dedicated parents, the day would have not been the success it was. A special thank you to Susan McFarlane and Jodie Davies, who helped with the coordination of the catering, in the days prior to the event and to Carly Zacher who supplied the flowers for the tables. Thanks also goes to Di Moseby who supported our volunteers leading up to, and on the day. There is a collection of photos from the day on the last page.

PARENT TEACHER INTERVIEWS
Parent Teacher interviews for the Junior School will be held next Wednesday the 13th and Thursday the 14th of April. If you have not already done so, please make an interview time with Julia or Leanne at the front office. (Please note Middle and Senior School interviews will be held next term on Wednesday the 4th and Thursday the 5th of May).

God Bless,
Kaye.

SAUSAGE SIZZLE FUNDRAISER
School fundraiser on last day of Term 1.
Order or purchase your sausage in bread for lunch on Friday, the 15th of April
No other lunch will be available from the canteen - but drinks, ice creams and recess are available for purchase as usual.
(Bread and sausages are preservative free)
(Yr R-5 use lunch order bags & Yr 6-10 may purchase direct from canteen)
All proceeds from the sausage sizzle will go towards Navigator College.

WASSAC (Western Area Secondary Schools Athletics Carnival)
On Tuesday the 29th of March a strong team of 11 students embarked on an exciting maiden voyage to Ceduna to compete in the WASSAC. This is the first year Navigator College has been involved with this carnival and the nervous anticipation could be seen on all the student’s faces. After an eventful night and early morning the competition dawned upon us. Most students competed in 5 events and did so with pride and enthusiasm. Before the relays took place (which we did not compete in) we were sitting in third position. All students represented Navigator College exceptionally well which is a credit to them and our community. Congratulations to Tiarna Stoetzer, Tamika Siegmann, Chantelle Boxer, Matthew Siviour, Tamara Barker, Tim Kidney, Joseph Marschall and Max Cooper who received first's in, and sometimes above their division. Special thanks to Mr. Thiel who made it all possible, transporting us the entire way.
Mr Greg Maxfield, P E Teacher.
